Skills

HTML

CSS

Java

Hobbies

Drawing

Career objective

To build a strong foundation in front-end development and continue improving my skills in HTML, CSS, and responsive design. I aim to gain hands-on experience through real projects and prepare myself for future opportunities as an entry-level front-end developer.

Education

Diploma in Engineering   Jessore Polytechnic Institute

Mar, 2023 - Dec, 2026

Building strong fundamentals in programming and web design while learning HTML and CSS.

Certifications

Oct, 2023

Python (Basic) - Programming Hero

Sep, 2024

Java (Basic) - Hackerrank
